# Who we are

---

Frachtmeister is an Austrian based moving company with 100% family-owned and established by Peter Minichmayr in 1994. We are operating in Hungary since 2018

In 2019 operates in 4 countries with 6 offices, 10,000m<sup>2</sup> warehouse space and works with around 120 employees.

# What do we offer?

---

## Everything under one umbrella

We are offering full Door to door Relocation Package with One Point of Contact system.

The mobility team leader has to send the initiation and the allowance to POC and our team will handle everything to help your employees to start in the new country stress free and as soon as possible. Most important for us to make our clients satisfied with our work.

Door to Door Moving: From survey to the delivery with transportation, customs procedure and destination service with the FMI level of service.

Relocation Services: Home Search , Settling in Services, Departure Services, School Search

# Learning is the key

---

We don't know everything, but we learn and train ourselves every day to keep up with new challenges.

In 1994 we started as a local mover. Today we are the biggest office mover in Central Europe. We became experts in International moving and relocation services.

From 2018 we operate as FIDI certified relocators.

# Moving Services

Frachtmeister ensures quick and efficient delivery of your goods in a timely manner due to our comprehensive knowledge of export/import documentation requirements in the regions in which we specialize.

We can provide door-to-door transport solutions from anywhere to everywhere, either through our own experienced teams, or through our established and trusted network of agents.

If necessary, we can also store or consolidate your shipment in our own secure warehouses.
